

2026 FEBRUARY

NEWS LETTER

As we welcome the Lunar New Year, GVision renews its commitment to delivering reliable display and imaging solutions for real-world applications. We look forward to a year of growth, collaboration, and connection with our partners and customers throughout 2026.

EVENTS RECAP

CES 2026

GVision participated in CES 2026, engaging with global industry professionals and technology leaders to explore advancements in AI, imaging, smart surveillance, and display-driven automation.

This year's discussions highlighted growing demand for intelligent visual systems that enhance security, situational awareness, and operational efficiency across government, industrial, and commercial environments.
