

2025 FEBRUARY

NEWS LETTER

Happy Valentine's Day

This February, love is in the air, and at GVision, we're celebrating the connections we've built with our valued partners and customers. As Valentine's Day approaches, we're excited to share updates, events, and special offers that will make this month even sweeter. Thank you for being a part of our journey—we appreciate you!

January Event Recap

WEST 2025 & TD SYNEX

GVision was honored to co-host this exclusive event after WEST 2025, alongside several industry leaders. It was a fantastic opportunity for networking, collaboration, and discussing how technology can contribute to a safer and more connected society.

IMRON SECURITY & SAFETY

We also attended a leading security event in LA, where we engaged with industry leaders on the latest trends in protecting people from evolving threats. The hot topic? AI, AI, AI! Discussions centered around how artificial intelligence is shaping the future of security and enhancing safety control measures.
