

2025 JULY

NEWS LETTER

INDEPENDENCE DAY

This month, we honor our nation's journey and the shared values that inspire our work. We will continue to embrace new ideas, supporting each other, and striving for excellence. Whether you're enjoying fireworks, spending time with loved ones, or reflecting on the meaning of this special day, we at GVision are excited to share this season of progress and possibility with you, and to look ahead to bright future we're building together.

EVENTS RECAP

● Ingram Micro Tabletop ● InfoComm ● ESX ●

GVISION TECHNOTE

Newly Launched! Check it out now!

We are excited to share this new initiative with all of you. Since GVision's establishment, we have dedicated ourselves to delivering greater value to our partners—both longstanding and new. This latest section is entirely powered by our professional tech team, the backbone of GVision, whose expertise has long supported our industry. Now, we're bringing their knowledge into the spotlight.

Follow GVision Technote to receive firsthand updates on the latest technology trends and innovations!
