

2024 MARCH

NEWS
LETTERGreetings from **GVision USA**

We hope you had a great start of the year as we now begin to enter Spring 2024. St. Patrick's Day is right around the corner, so don't forget to wear green! We have a couple events to announce as well as the finished PoE article for you to read.

Sign Up for **IP Monitor Demo**

We are not attending any tradeshows or exhibitions this month; however, we do still have an event this March. Jhon Frazier, our esteemed sales manager, will be holding a webinar on our new IP monitor sometime this month. The webinar will include a full demo, easy to understand explanations of everything technical, as well as Q&A for any additional inquiries. If you are interested, please reach out to jhon.frazier@gvision-usa.com

Sneak Peek of **April Events**

**Power over Ethernet (PoE) Technology**

Additionally, our article on Power over Ethernet (PoE) technology has also been released. In the article we cover the history of PoE technology, its greatest benefits over other technologies, and the influence PoE has in the ProAV and security markets.
