

17 Inch Rear Mount Projected Capacitive

R17ZH-OV-45P0

REAR MOUNT

Gvision's line of rear mount projected capacitive displays are purpose built for system builders who require a rugged and durable touch screen solution that can easily be integrated into any embedded application. Flexible mounting options makes it easy to mount the product into a custom enclosure. It is completely sealed to protect against the elements, which means it can be used either inside or out, and in high-traffic public facing applications.
