

## New **sale** on various CCTVs!

Bolster your security setup while saving money, contact us at [sales@gvision-usa.com](mailto:sales@gvision-usa.com). More information available on our website: [gvision-usa.com](http://gvision-usa.com)

The advertisement features four Gvision CCTV monitors arranged around a central promotional graphic. The monitors are labeled as follows:

- C19BD**: A 19-inch monitor displaying a multi-camera view of a parking lot.
- C22BD**: A 22-inch monitor displaying a long-exposure light trail of a highway at night.
- C24BD**: A 24-inch monitor displaying a multi-camera view of an airport terminal.
- C32BD**: A 32-inch monitor displaying a multi-camera view of a busy city street.

In the center, a red hexagon contains the text "SAVE \$20 OFF". To the left, a green hexagon contains "1080p FULL HD". To the right, a dark blue hexagon contains a clock icon with "24/7" inside, indicating 24-hour operation.

- + Crisp 1920x1080 Full-HD resolution
- + Built to operate 24/7 365
